ABOUT MARTIN SINZGER

Martin Sinzger is the Managing Partner of SIWE Rechtsanwälte. Mr. Sinzger has 20 years of experience in working on high-profile cases on behalf of individuals and corporations across a broad range of business matters.

Specialised in complex commercial legal issues, Martin Sinzger masters the entire field of commercial counseling and transaction work including Mergers and Acquisitions, Private Equity, Joint Ventures, Corporate Finance and Corporate Restructurings. As an excellent negotiator, he is highly recognised for his expertise in German corporate and commercial law and very esteemed by his clients thanks to his significant experience in cross-border transactions. In recent years, Martin has participated in several M & A deals as legal advisor of Companies and Managers in Germany, UK, Switzerland, Austria, Italy and Spain.

Martin also has significant Commercial Litigation experience. He advises and represents commercial clients in arbitrations, mediations and other forms of Alternative Dispute Resolution in shareholders, Intellectual Property as well as corporate governance disputes.

COMPANY PROFILE

Since the beginning in 2001, more and more companies of successful globally active European technology and IT just as high-profile German based businesses – including several market leading companies in the field of hosting, electronics, glass manufacturing, engineering, engine production and financial services – have been entrusting their legal representation to SIWE Rechtsanwälte.

The firm's core business comprises the full range of company and corporate law consulting and extends to all company related structural measures beginning from the start-up stage and culminating in counselling within a company crisis.

Special mention must be made of the purchase of the Host Europe Group by the world's largest domain registrar, GoDaddy, in 2017, since extensive surveillance and counselling was provided by SIWE Rechtsanwälte in support of the management of the Host Europe Group before, during and after the acquisition.

As a service provider, the firm supplies its clientele with comprehensive legal counseling, systematic development of strategic concepts as well as legal high-quality representation in and out of court and is comprised of a team of highly qualified and experienced lawyers, who provides broad knowledge and an extensive offer of legal assistance.
